The college Baseball World Series is a special experience that blends great baseball with a college football atmosphere. Broach's package takes in the first 3 days so there are two games each day and you get to see all 8 teams. We can add extra days to our tour if you want to take in additional games on your own. Keep in mind that only 1 game is played most days later in the tournament and there are a couple of days when no games are played.
