"Just a note to let you know how much Robin and I enjoyed the Westminster Dog Show tour. The Renaissance hotel is a fine facility, and really puts a guest in the middle of Times Square activity! As always with our 'Broach experiences,' it is not just the featured events and ball games that we enjoy, but the extras and the unexpected, too. ... We were glad we opted for the early option that allowed us to take in two shows. The off-Broadway 'Newsical' was very entertaining, and seeing Glenn Close in 'Sunset Boulevard' at the historic Palace Theatre was so memorable. Once again, a tip of the cap to Broach Tours. We have seen and done many things with you guys over the years that we would not have otherwise enjoyed. Many thanks again."
